PROXY STATEMENT

This Proxy Statement is furnished by the Board of Directors of Lynch Corporation (the "Corporation") in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders to be held at the Biltmore Grand Heritage Hotel, Kennedy Plaza, Providence, Rhode Island on May 1, 2003, at 2:00 P.M. and at any adjournments thereof. This Proxy Statement and the accompanying proxy is first being mailed to shareholders on or about March 28, 2003.

Only shareholders of record at the close of business on March 14, 2003 are entitled to notice of, and to vote at, the Annual Meeting. As of the close of business on such date, 1,497,883 shares of the Corporation's common stock, \$0.01 par value (the "Common Stock"), were outstanding and eligible to vote. Each share of Common Stock is entitled to one vote on each matter submitted to the shareholders. Where a specific designation is given in the proxy, the proxy will be voted in accordance with such designation. If no such designation is made, the proxy will be voted FOR the nominees for director named below, and in the discretion of the proxies with respect to any other matter that is properly brought before the Annual Meeting. Any shareholder giving a proxy may revoke it at any time before it is voted at the Annual Meeting by delivering to the Secretary of the Corporation a written notice of revocation or duly executed proxy bearing a later date or by appearing at the Annual Meeting and revoking his or her proxy and voting in person.

No action may be taken on any matter to be acted upon at the meeting unless a quorum is present with respect to that matter. For each matter to be acted upon at the meeting, a quorum consists of a majority of the votes entitled to be cast by all shares of Common Stock outstanding on the record date for the meeting. The election of directors shall be determined by a plurality of the votes cast.

An automated system administered by the Corporation's transfer agent tabulates the votes. Pursuant to the Indiana Business Corporation Law and the By-laws of the Corporation, shares held by persons who abstain from voting on a proposal will be counted in determining whether a quorum is present, but will not be counted as voting either for or against such proposal. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present (for quorum purposes) or entitled to vote with respect to that matter, even though such shares will be considered present for purposes of determining a quorum and voting on other proposals.

ITEM NO. 1

ELECTION OF DIRECTORS

Eight directors are to be elected at the Annual Meeting to serve until the next Annual Meeting of Shareholders and until their respective successors are elected. Except where authority to vote for directors has been withheld, it is intended that the proxies received pursuant to this solicitation will be voted FOR the nominees named below. If for any reason any nominee shall not be available for election, such proxies will be voted in favor of the remainder of those named and may be voted for substitute nominees in place of those who decline to be candidates. Management, however, has no reason to expect that any of the nominees will be unavailable for election.

The election of directors shall be determined by a plurality of the votes cast.

All of the nominees except Marc J. Gabelli have served as directors of Lynch Corporation since before the last Annual Meeting of Shareholders. Marc J. Gabelli will become a director subject to, and effective upon, his election at the annual meeting. Marc J. Gabelli is the son of the Vice Chairman of the Corporation. The By-laws of the Corporation provide that the Board of Directors shall consist of no less than five and no more than thirteen members and that any vacancies on the Board of Directors for whatever cause arising, including newly created directorships, may be filled by the remaining directors until the next meeting of shareholders. Biographical summaries and ages as of March 28, 2003 of the nominees are set forth below. Data with respect to the number of shares of the Common Stock beneficially owned by each of them appears on page 7 of this Proxy Statement. All such information has been furnished to the Corporation by the nominees.

The Board of Directors recommends a vote FOR the election of its Nominees FOR Directors for terms to expire at the 2004 Annual Meeting of the Stockholders.

EXECUTIVE COMPENSATION AND BENEFITS COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Overview and Philosophy

The Executive Compensation and Benefits Committee (the “Committee”) of the Board of Directors is responsible for developing and making recommendations to the Board of Directors with respect to the Corporation’s executive compensation policies and administering the various executive compensation plans. In addition, the Committee recommends to the Board of Directors the annual compensation to be paid to the Chief Executive Officer and each of the other executive officers of the Corporation, as well as to other key employees. The composition of the Committee is described below.

The objectives of the Corporation’s executive compensation program are to:

- Support the achievement of desired Corporation performance.
- Provide compensation that will attract and retain superior talent and reward performance.
- Ensure that there is appropriate linkage between executive compensation and the enhancement of shareholder value.
- Evaluate the effectiveness of the Corporation’s incentives for key executives.

The executive compensation program is designed to provide an overall level of compensation opportunity that is competitive with companies of comparable size, capitalization and complexity. Actual compensation levels, however, may be greater or less than average competitive levels based upon annual and long-term Corporation performance, as well as individual performance. The Committee uses its discretion to recommend executive compensation at levels warranted in its judgment by corporate and individual performance.

Executive Officer Compensation Program

The Corporation’s executive officer compensation program is comprised of base salary, cash bonus compensation, 401(k) Savings Plan, and other benefits generally available to employees of the Corporation.

Base Salary

Base salary levels for the Corporation's executive officers are intended to be competitive. In recommending salaries the Committee also takes into account individual experience and performance and specific issues relating to the Corporation. A summary of the compensation awarded to the Chief Executive Officer and the other executive officers is set forth in the "Summary Compensation Table" on page 8 of this Proxy Statement. Initial salaries for the Corporation's executive officers were based upon a variety of judgmental factors, including their respective proposed responsibilities with the Corporation, their background and experience, and the size and nature of the Corporation's business.

Bonus Plan

The Corporation has in place a bonus plan that is based on an objective measure of corporate performance and on subjective evaluation of individual performance for its executive officers and other key personnel. In general, the plan provides for an annual bonus pool equal to 20% of the excess of (i) the consolidated pre-tax profits of the Corporation for a calendar year less (ii) 25% of the Corporation's average shareholders equity at the beginning of such year. Shareholders' equity is the average of shareholders equity at the beginning of the period and at the beginning of the two preceding years. The Executive Compensation and Benefits Committee in its discretion may take into consideration other factors and circumstances in determining the amount of the bonus pool and awarding bonuses such as progress toward achievement of strategic goals and qualitative aspects of management performance. The breakdown of the bonus pool is not based upon a formula but upon judgmental factors.

No bonuses were paid to the named executive officers in 2002, 2001 and 2000.

Lynch Corporation 401(k) Savings Plan

All employees of the Corporation and certain of its subsidiaries are eligible to participate in the Lynch Corporation 401(k) Savings Plan, after having completed one year of service (as defined in the Plan) and having reached the age of 18.

The 401(k) Plan permits employees to make contributions by deferring a portion of their compensation. Participating employees also share in contributions made by their respective employers. The annual mandatory employer contribution to each participant's account is equal to 62.5% of the first \$800 of the participant's contribution. In addition, the employer may make a discretionary contribution of up to 37.5% of the first \$800 of the participant's contribution. A participant's interest in both employee and employer contributions and earnings thereupon are fully vested at all times. Employee and employer contributions are invested in guaranteed investment contracts, certain mutual funds or Common Stock of the Corporation, as determined by the participants. The Company's executive officers were not participants in the 401(k) Plan in 2002.

Benefits

The Corporation provides medical, life insurance and disability benefits to the executive officers that are generally available to Corporation employees. There were no benefits of this nature applicable to the Company's executive officers in 2002.

Compensation to Chief Executive Officer and Other Executive Officers

Mr. Gabelli, who was Chief Executive Officer of the Corporation from 1986 to January 2000, received a salary of \$500,000 per year for the years 1996 through 1999 (including payments from Lynch Interactive

Corporation from September 1, 1999 through December 31, 1999) and no annual bonus. For 2000, the Committee recommended a salary of \$150,000 in light of the Lynch Interactive Spin Off and Mr. Louis A. Guzzetti being hired as President and Chief Executive Officer. Mr. Louis A. Guzzetti became President and Chief Executive Officer of the Corporation in January 2000 at a salary of \$250,000.

When Mr. Guzzetti resigned as Chief Executive Officer on March 31, 2001, Mr. Gabelli agreed to be reappointed as Chief Executive Officer on an interim basis until a new Chief Executive Officer was appointed. Mr. Gabelli served as interim CEO until August 17, 2001 when Mr. Papitto was appointed Chief Executive Officer. For his service as Chairman (through March 31, 2001) and as Chairman and Chief Executive Officer (from April 1 through August 17, 2001), Mr. Gabelli received \$100,000 in salary. On September 26, 2002, for his services as Vice Chairman of the Corporation, the Committee (Mr. Gabelli abstaining) awarded Mr. Gabelli an annual Vice Chairman fee of \$50,000 per year, retroactive to 2001.

At a meeting of the entire Board of Directors on August 17, 2001, based upon the recommendation of Mr. Gabelli, the Board unanimously appointed Mr. Papitto as Chief Executive Officer and Chairman of the Board of Directors.

At a meeting of the entire Board of Directors on December 10, 2001, based upon the unanimous recommendation of the Executive Compensation and Benefits Committee (with Mr. Papitto abstaining), the Board of Directors unanimously: (a) authorized the payment of a salary to Mr. Papitto as Chief Executive Officer at the rate of \$125,000 per annum for the period from August 17, 2001 to December 31, 2001 and at the rate of \$250,000 per annum thereafter, and (b) authorized the Corporation, subject to shareholder approval, to grant to Mr. Papitto a stock option to purchase 180,000 shares of the Corporation's Common Stock at an exercise price of \$17.50 per share (being the then fair market value of the Common Stock). At the same meeting, the Board also unanimously: (a) authorized the payment of a salary to each of Mr. McGrail as President and Chief Operating Officer and Mr. Keller as Chief Financial Officer at the rate of \$50,000 per annum commencing January 1, 2002 and (b) authorized the Corporation, subject to shareholder approval, to grant to each of Mr. McGrail and Mr. Keller a stock option to purchase 24,000 shares of the Corporation's Common Stock, also at an exercise price of \$17.50 per share.

PERFORMANCE GRAPH

The graph below compares the cumulative total shareholder return on the Common Stock of the Corporation for the last five fiscal years ended December 31, 2002 with the cumulative total return over the same period (i) on the broad market, as measured by the American Stock Exchange Market Value Index, and (ii) on a peer group, as measured by a composite index based on the total returns earned on the stock of the publicly traded companies included in the Media General Financial Services database under the two Standard Industrial Classification (SIC) codes within which the Corporation conducts the bulk of its business operations: SIC Code 355, Special Industry Machinery; and SIC Code 367, Electronic Components

Accessories. The data presented in the graph assumes that \$100 was invested in the Corporation's Common Stock and in each of the indexes on December 31, 1997 and that all dividends were reinvested.

Also presented in the graph is a peer group trend line representing total returns for a former peer group which utilized SIC Code 4813, Telephone Communications except Radio Telephones and SIC Code 4213, Trucking, except Local, and SIC Code 267 converted paper and paper products, except boxes. The Corporation made the switch because its Telephone Communications and Trucking operations were spun off in September 1999. SIC Code 267 is included in the Corporation's former peer group because it represents the industry served by one of the Corporation's subsidiaries, Spinnaker Industries, Inc. ("Spinnaker") until deconsolidated on September 30, 2001.

TRANSACTIONS WITH CERTAIN AFFILIATED PERSONS

Mr. Gabelli is affiliated with various entities which he directly or indirectly controls and which are engaged in various aspects of the securities business, such as an investment advisor to various institutional and individual clients including registered investment companies and pension plans, as a broker-dealer, and as managing general partner of various private investment partnerships. During 2002, the Corporation and its subsidiaries engaged in various transactions with certain of these entities and the amount of commissions, fees, and other remuneration paid to such entities, excluding reimbursement of certain expenses related to Mr. Gabelli's employment by the Corporation, was less than \$60,000.

("Avtek") a private holding company co-owned by Mr. Papitto and Mr. Gabelli until November 27, 2002 and now controlled by Mr. Papitto. Since August 2001, Avtek and the Corporation have shared, on an approximately equal basis, (i) all occupancy costs of the shared premises and (ii) the salary expense of certain persons employed by Avtek at the premises (including Mr. McGrail, the Corporation's President and Chief Operating Officer and Mr. Keller, the Corporation's Chief Financial Officer, and other administrative and clerical personnel) whose services are provided to both the Corporation and Avtek. The Corporation's share of such occupancy and salary costs in 2002 was \$231,500, a portion of which represents compensation to Mr. McGrail and Mr. Keller that is reported in the Summary Compensation Table on page 8 of this Proxy Statement.

Report of the Audit Committee

The Audit Committee is composed of 3 “independent” directors as defined in the American Stock Exchange listing standards (Mr. Pustorino, Chairman, who meets the standards of a “audit committee financial expert”, Mr. Cerutti and Mr. Gray) and operates under a revised written charter adopted by the Board of Directors in March 2003. The Audit Committee reviews the Corporation’s financial reporting process on behalf of the Board of Directors, reviews the financial information issued to shareholders and others, including a discussion of the quality, not just the acceptability of the accounting principles; the reasonableness of significant judgments; and the clarity of discussions in the financial statements, and monitors the systems of internal control and the audit process. Management has primary responsibility for the financial statements and the reporting process.

The Audit Committee has met and held discussions with management and the independent auditors. In our discussion, management has represented to the Audit Committee that the Corporation’s consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee has reviewed and discussed the consolidated financial statements with both management and Ernst & Young LLP, our independent auditors. The Audit Committee meets with our independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Corporation’s internal controls and the overall quality of the Corporation’s financial reporting. There were five such meetings in 2002. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Corporation’s independent auditors also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has considered and discussed with Ernst & Young the firm’s independence and the compatibility of the non-audit services provided by the firm with its independence.

Based on the Audit Committee’s review of the audited financial statements and the various discussions noted above, the Audit Committee recommended that the Board of Directors include the audited consolidated

financial statements in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2002, and the Board has approved this recommendation.

**LYNCH CORPORATION
AUDIT COMMITTEE CHARTER**

Organization

This Charter governs the operations of the Lynch Corporation (the “Company”) Audit Committee (the “Committee”). The Committee shall be appointed by the Board of Directors and shall consist of at least three directors, each of whom are “independent” of management and the Company and are “financially literate” as those terms are used by the Securities and Exchange Commission.

Statement of Policy

The Committee shall provide assistance to the Board in fulfilling its oversight responsibility to the shareholders, potential shareholders, the investment community, and others, with respect to the Company’s financial statements and financial reporting process, the systems of internal accounting and financial controls, the annual independent audit of the Company’s financial statements, and the legal compliance, conflict of interest and ethics programs as established by management and the Board. In so doing, it is the responsibility of the Committee to maintain free and open communication between the Committee, independent auditors and management of the Company. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel, or other experts for this purpose.

Responsibilities and Processes

The Committee’s responsibility is oversight. The Company’s management is responsible for maintaining appropriate systems for accounting and internal control and for the preparation, presentation and integrity of the Company’s financial statements. The independent auditors are responsible for auditing those financial statements and are ultimately responsible to the Board and the Committee as representatives of shareholders. The Committee recognizes that financial management and the independent auditors have more time, knowledge and detailed information on the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee does not provide any expert or special assurance as to the Company’s financial statements or any professional certification as to the independent auditor’s work.

The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order best to react to changing conditions and circumstances. The Committee should take the appropriate actions to set the overall corporate “tone” for quality financial reporting, sound business risk practices, and ethical behavior. At least annually, it shall perform an evaluation of its performance to determine whether it is functioning effectively and shall review and reassess the adequacy of this Charter and obtain approval for its adoption by the full Board of Directors.

The following shall be the principal recurring processes of the Committee in carrying out its oversight responsibilities. The processes are set forth as guides with the understanding that the Committee may amend or supplement them as appropriate.

- The Committee shall have the ultimate authority and responsibility to evaluate the independent auditors and shall approve their selection, retention, termination and compensation.
- The Committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services

proscribed by law or regulation. The Committee may delegate pre-approval authority to a member of the Audit Committee. The decisions of any Audit Committee member to whom pre-approval authority is delegated must be presented to the full Committee at its next scheduled meeting.

- The Committee shall discuss with the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing. It shall discuss with management and the independent auditors, the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor business risk, and legal and ethical compliance programs. It shall meet separately with the independent auditors, with and without management present, to discuss the results of their examinations.
- At least annually, the Committee shall obtain and review formal written reports by the independent auditors describing:
 - the firm's internal quality control procedures.
 - any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities.
 - all relationships between the independent auditors and the Company, consistent with Independence Standards Board Standard 1, to enable the Committee to evaluate the auditors' attestation of their independence.
- The Committee shall review management's assertion on its assessment of the effectiveness of internal accounting and financial controls as of the end of the most recent fiscal year and the independent auditors' report on management's assertions.
- The Committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the Company's policies and procedures to assess, monitor, and manage business risk, and legal and ethical compliance programs (e.g., Company's Code of Conduct).
- The Committee shall receive regular reports from the independent auditors delineating the critical accounting policies and practices of the Company; all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management; and their reasoning for not recognizing material audit adjustments the auditors proposed.
- The Committee shall establish procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. It shall receive corporate attorneys' reports of evidence of a material violation of securities laws or breaches of fiduciary duty.
- The Committee shall set clear hiring policies for employees or former employees of the independent auditors that meet the SEC regulations and stock exchange listing standards.
- The Committee shall review the interim financial statements with management and the independent auditors prior to any earnings release and prior to the filing of the Company's Quarterly Report on Form 10-Q. It shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards. The chair of the Committee may represent the entire Committee for the purposes of its review.
- The Committee shall meet separately with management, the internal auditors, and the independent auditors to discuss issues and concerns warranting Committee attention. The Committee shall provide

sufficient opportunity for the internal auditors and the independent auditors to meet privately with the members of the Committee.

- The Committee shall review with management and the independent auditors, prior to any press release and prior to filing, the financial statements to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality and appropriateness, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity and completeness of the disclosures in the financial statements. It shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards.
- The Committee shall review the management discussion and analysis of financial condition and results of operations included in the Company's Annual Report and oversee the CEO and CFO's Certifications of periodic reports required under the Securities and Exchange Act of 1934.
- The Committee shall prepare its report to be included in the Company's annual proxy statement, as required by SEC regulations.

Limitation

Nothing in this Charter is intended to alter in any way the standard of conduct that applies to any of the directors of the Corporation under the Indiana Business Corporation Law, as amended, and this Charter does not impose, nor shall it be interpreted to impose, any duty on any director greater than, or in addition to, the duties or standards established by the Indiana Business Corporation Law.
